

WELCOME

Our numbers have really started to soar these past few months and the race to enrol our 600th baby is on. A hamper of goodies will be sent to the enrolling centre so remember to complete data entry at the time of stabilisation to be in with a chance!

It's been a busy month with 3 new sites in NSW activated. Congratulations goes to the teams in Blacktown, Wollongong and Campbelltown hospitals for getting off to a great start, all 3 have already enrolled their first babies. And here in Melbourne, RWH was the first of our sites to crossover to the other treatment arm.

For treatment crossover dates and all other trial news and updates, read on.

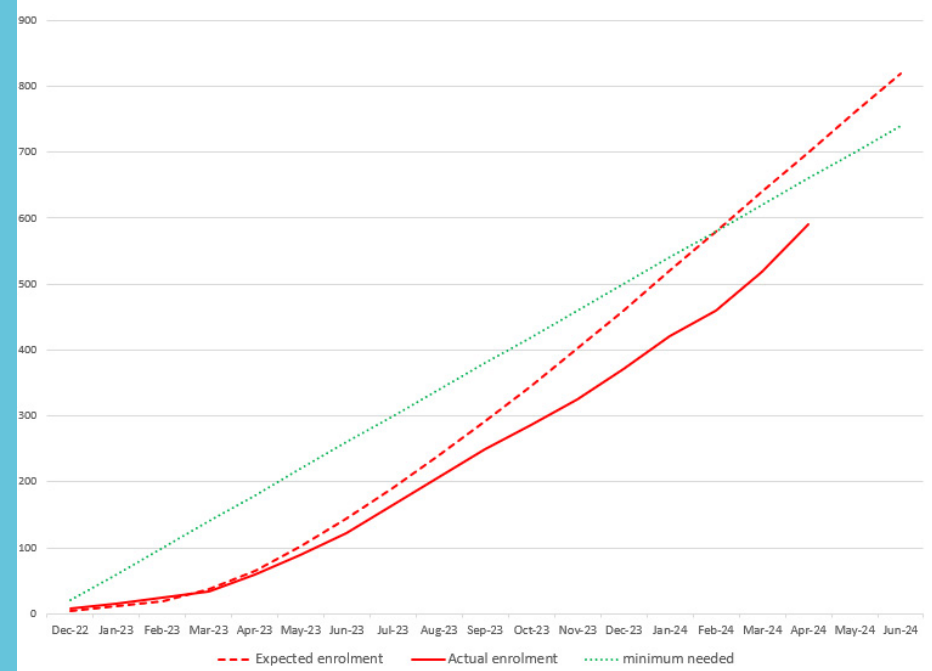

TRIAL PROGRESS

Congratulations goes to the teams at **Blacktown Hospital, Wollongong Hospital** and **Campbelltown Hospital** for getting started in this last month and all enrolling their 1st baby into the AIROPLANE trial - we appreciate all the hard work of the trial team to get to this point.

Congratulations also goes to the team at **Westmead Hospital** having received governance approval and now moving on to Site education!

TRIAL RECRUITMENT

Many thanks to all the hard working staff at our recruiting centres for enrolling infants into the trial.

REMINDERS & RESOURCES

TRAINING RESOURCES

A reminder that in the Members Portal section of our website you can access a suite of training resources, including training videos of the clinical treatment pathways and training videos of how to complete data entry at stabilisation. Everyone is provided with password access to the Members Portal at site activation, but if you have any issues accessing the portal, please contact trial coordinator Renae Allen at renae.allen@mcri.edu.au.

PUBLIC DISCLOSURE MATERIALS

If you are running low on brochures or require additional posters to display at your site, please contact us and we will post them out to you.

UPDATES & ANNOUNCEMENTS

Our main safety review will take place when we reach 600 recruits. We ask that all sites please enter all data, including discharge data in a timely manner so we can prepare for the review.
